

READY SET GO

WORLD CARES CENTER UPDATE

Happened

World Cares Center launched its COVID-19 online courses

Last Friday, WCC launched two important training: General Readiness: COVID-19 Awareness and DV 101 COVID-19 Safety for Disaster Volunteers.

This training contributes to reducing the spread of infectious disease and strengthening preparedness programs to prevent the transmission of COVID-19, as well as preparing for future infectious disease threats.

Steps to take these training:

1. Go to <https://www.disastervolunteerismacademy.org/register/>
 2. Sign up by entering your Username, First name, Last name, Email and Password.
 3. Fill out your user profile
 4. Click on the home tab to be directed to the home page and then select "General Readiness."
 5. Select "Coronavirus Safety Awareness" to take the training.
 6. After you have completed the training, click on the home tab to be redirected to the home page again; and select "Disaster Volunteerism 101"
 7. Select the "COVID-19 Safety for Disaster Volunteers" to take the training.

Donning and Doffing, Extended and Reuse

"By now everyone knows what PPE stands for, Personal Protective Equipment and the difference between an N95 and a dust mask. However, there are simple steps that must be taken to use these protective items are working effectively..."

Continuing to support our essential workers and disaster volunteers on the front line

Last Friday, we continued the distribution of personal protective equipment (PPE) to Bringing the Peace, Albert Einstein Hospital, A Very Special Place, Foster Sundry, Bailey Seton Hospital, Southeast Queens and Rockaway Mutal Aid Group, Golden Gate Rehab, CPC and Hearth at Gardenside.

We thank Brooklyn Brewery and their amazing warehouse team; Veteran Steven Ayling, Cameron Ayling; Nancy Wu and Marcos Dominguez of Mission Continues; and everyone for helping to keep our ready responders safe.

Currently Happening

At this time World Cares Center is

- Providing up to date information via Social Media, a weekly newsletter

and on www.worldcares.org

- Discussing strategies with our leaders via www.readyresponder.org
- Training volunteers and workers to conduct mandatory work using safe practices
- Providing a limited number of protective equipment (PPE) to those who must work but have limited access to PPE

Coming soon

- Video series on COVID-19 prevention.

Up-to-date Information
