

READY SET GO

WORLD CARES CENTER UPDATE

Do this now!

With support and trusted information from NIH, NIEHS, CDC and Rutgers University, World Cares Center presents two COVID-19 safety trainings- General Readiness: COVID-19 Awareness and DV 101 COVID-19 Safety for Disaster Volunteers.

COVID-19 Safety for Disaster Volunteers training

If you are a responder, you can't stay home or avoid sick people, and you must know by now that training knowledge is as important as good as PPE. Protect yourself and those around you by taking this critical Covid-19 training now.

Steps to take these training:

1. Go to <https://www.disastervolunteerismacademy.org/register/>
2. Sign up by entering your Username, First name, Last name, Email and Password.
3. Fill out your user profile
4. Click on the home tab to be directed to the home page.
5. Select "Disaster Volunteerism 101" and click "COVID-19 Safety for Disaster Volunteers" to take the training.

If you have any questions or need assistance taking this training, please [email us](#).

COVID-19 Awareness Training

By completing the General Awareness training you will be better prepared not only to prevent the spread of coronavirus but also to remain safe.

Steps to take these training:

1. Go to <https://www.disastervolunteerismacademy.org/register/>
2. Sign up by entering your Username, First name, Last name, Email and Password.
3. Fill out your user profile
4. Click on the home tab to be directed to the home page.
5. Select "General Readiness" and click "Coronavirus Safety Awareness" to take the training.

If you have any questions or need assistance taking this training, please [email us](#).

Workspace cyber security in the age of COVID-19 social distancing

"Social distancing has led to an explosion in remote working in all industries. Many organizations are enforcing "work from home" policies and social interactions are rapidly becoming confined to video calls, social media posts and conferencing programs.

There is, however, an unseen threat rising in the digital space: the risk of cyber attacks that prey on our increased reliance on digital tools. A cyber attack could devastate our organizations or families by limiting access to their devices, data or the Internet. In a worst-case scenario..."

Continuing to support our essential workers and disaster volunteers on the front line

To date, WCC has delivered 22,000 items of PPE to front line responders. Last week WCC visited several fire houses throughout all 5 boroughs, including all of the fire houses on Staten Island, and distributed personal protective equipment (PPE) and material on the extensive use and reuse of the N95 respirators, as per CDC guidelines.

We are honored to be able to help protect our first responders.

Visit our facebook page at facebook.com/the.world.cares.center/ to learn more.

Currently Happening

At this time World Cares Center is:

- Providing up to date information via Social Media, a weekly newsletter and at www.worldcares.org
- Discussing strategies with our leaders via www.readyresponders.org
- Training volunteers and workers to conduct mandatory work using safe practices
- Providing a limited amount of protective equipment (PPE) to those who must work but have insufficient access to PPE

Coming soon

- Video series on COVID-19 prevention.

Up-to-date Information

For the latest information, please visit the CDC website at cdc.gov/covid19

If you live outside the United States, health and safety tips can be found through the World Health Organization at <https://www.who.int/emergencies/diseases/novel-coronavirus-2019>
